

*Exclusive Canadian Agents for Paragon Tank Truck Equipment*

## **PRESS RELEASE**

### **The Transaxle Parts Group of Companies now a full line Paragon Tank Truck Dealer**

Paragon Tank Truck Equipment based out of Cartersville Georgia and their exclusive Canadian agents Truck Revolution, are pleased to announce The Transaxle Parts Group of Companies as their newest Canadian full line stocking dealer.

Transaxle's head office located in Stoney Creek Ontario as well as their Cambridge and Guelph locations will now stock, sell and service Paragon's full line of Tank Truck Equipment including P857 blower systems, HydraFlow hydraulic coolers, HydraCHEM "all-in-one" offloading systems as well as Paragon's just released HydraAIR Oil Free Piston Air Compressor system with integrated hydraulic cooler to power auxiliary mounted equipment.

Transaxle's years of experience in PTO's, hydraulic systems, in-house drive shaft manufacturing now coupled with their full-service installations shops, makes them a perfect fit for us in this customer service focused market.
